or

Course 2: 3 March to 23 June 2021

Wednesdays from 8:45 till 11:15

Dear Ladies

Have you come to live in Zurich recently and would like to actively participate in the diversity that the city has to offer? Are you interested in cultural, social and legal topics? Would you like to meet other women, make new friends and establish new contacts? Then you have come to the right place.

This integration course is designed especially for women. It provides you with an introduction to the cultural, historical and political systems of the city. A variety of social subjects will be discussed to enable you to deal with daily life. Bring along your own cultural background and experiences, and take this great opportunity to learn all about living in your new city!
