Volunteering

Green Estate's Sheffield Manor Lodge Centre depends upon volunteers, and our Volunteers very much enjoy their work here helping to develop, manage and share all that's going on.

Here are just some of the opportunities available :

- School Trips – Helping with workshops for school children
- Landscape and Gardens – Restoring and maintaining formal and informal gardens
- Discovery Centre – Welcoming visitors, reception duties and information
- Premises maintenance – On-going repair and maintenance of the buildings and site
- Tour Interpreters – Tour guides and costumed interpreters
- Children's crafts – Help children get creative at our craft sessions
- Events – Lend a hand throughout the year or run a special project

All volunteers are given full training and are responsible to a member of staff. No prior experience is necessary. Your commitment can be anything from a few days a year to a full time role. In return for your time and valuable contribution we will provide you with a warm welcome, specialist training, travel expenses to our base and a supportive and creative working environment.

We have many wonderful volunteers but we still need more! If you are interested in helping, please contact us on 0114 276 2828 email visit@greenestate.org
