Stadt Zürich
Soziale Dienste

The school social workers support children, young people and parents.

Confidentially, voluntarily and free of charge.

We advise and support pupils in the following areas:
– Problems with fellow pupils at school
– Difficulties at home
– Personal concerns and needs

We advise and support parents in the following areas:
– Family problems and educational issues
– Concerns regarding their child's development
– Altercations involving their child either at school or on the way to or from school
– Finding suitable leisure activities for their children
– Referring them to advisory or specialist services
