6. Implantation Charges

Implants will be charged separately according to the **Admission Regulations and Scale of Charges.**

7. Ambulance Services

Ambulance transportation will be charged in accordance with the scale of charges of `Schutz und Rettung` (ambulance service) of the town of Zürich.

8. Change of Insurance Class

If you wish to change your treatment class from the general to the semiprivate class during your hospital stay, the total stay **starting from admission day** will be charged according to the semiprivate tariff.

9. Costs to be paid personally by the patient

All charges not covered by the sickness or accident insurance company.

Please note that you may well be insured in a different class depending on whether coverage is provided by a sickness or an accident insurance company.

Telephone / Drinks / etc. Exception: Mineral Water

10. Information for Semiprivately Insured Patients

According to cantonal legislation the canton is obliged to bear a proportion of the costs of the patient's treatment, provided that the insured person is insured for general basic insurance with a recognised insurance company. (Cantonal contribution). In order that the canton can review its duty of payment, the hospital when invoicing, is obliged to disclose your name and address according to civil law (tax domicile). No medical data or information is forwarded to the canton (such as type of hospital stay etc.) The amount charged to the canton does not infer in any way what kind of treatment was administered.

Patient Declaration/Commitment Semiprivate Department

as from 1st January 2012

- I confirm that I have read and understood the scale of charges and fees on the front side of this form (daily rate, flat rate, intensive care flat rate, implantation flat rate, ambulance transport, additional flat rates for semiprivate treatment, doctors' fees, deposits, follow-up payments to deposit) and wish to be **treated as a semiprivate patient**.
- **I am obliged to pay all costs which will not be accepted by the sickness insurance company, the accident insurance company or the canton of residence.**
- I am aware that the sickness insurance companies will not accept any charges relating to **abusive consumption of medicinal products, drugs and alcohol** and that these charges must be paid by the patient.
- I am aware that I have to pay the complete charges if the sickness insurance company, the accident insurance company or the canton of residence will not accept these charges.
- I consider the **deposit** which I have made as being a **prepayment**. I am obliged to pay all treatment charges which exceed the deposit amount in their entirety, in the case of the sickness insurance company, the accident insurance company or the canton of residence not accepting these charges.
- Depending on the length and progress of treatment the hospital is entitled to request an appropriate additional deposit payment. **I am obliged to make this additional payment immediately** and in case of not doing so I will have to move into the general ward.
- The following charges will be invoiced separately: Ambulance transport (as per item 7), telephone, drinks etc. *Exception: mineral water.*
