Registration for school

Dear parents,

You are moving into our school district and have a school-age child. Please register your child with us by completing and submitting this form. You will receive the class assignment by post. If you have any questions, we will be happy to assist you.

Please note: Assigning your child to a class takes some time. We therefore ask you to submit the registration as early as possible. Once the class has been assigned, you will receive the information by post or email.

Important: After your move, please register your family promptly with the Residents' Registration Office (Personenmeldeamt).
In addition, please register your child for the public school system using the **"Meine Kinder"** online service. To do so, you need an AGOV login (https://www.agov.admin.ch/en).
